RELEVANT PROJECTS

UI/UX Portfolio
- Designed a UI/UX portfolio website using **HTML**, **CSS**, **JS, jQuery plugins** and **AJAX** to showcase my upcoming projects in UI/UX design
- Integrated effective navigation for easy exploration of the portfolio, dark mode, user-friendly interactions and animations to engage visitors and demonstrate a keen understanding of UX principles

Cake Wrecks Website Redesign
- Collaborated with team to develop user personas, conduct surveys, and create user flows to inform design decisions, resulting in a more intuitive and user-centric navigation system.
- Conducted a heuristic evaluation to identify and address usability issues on the Cake Wrecks website, leading to a more user-friendly design
- Redesigned the Cake Wrecks website using **Figma** to enhance user experience

WakeRide Mobile App

WORK EXPERIENCE

Evanston Church of God, Evanston, IL: Volunteer Registration Specialist, Remote   06/2020 - 07/2021
- Conducted over 100 weekly calls to ensure compliance with crowd capacity guidelines during the Covid-19 pandemic
- Addressed and resolved registration-related inquiries promptly via telephone and email

University of Illinois at Chicago, IL: Graduate Student Instructor   08/2016 - 05/2018
- Developed and instructed German language lessons using online learning platforms
- Coordinated personalized lessons for tutoring, leading to improvements for students with below average grades
- Collaborated with a diverse team to organize meetings, projects, and events
